CD75:397-8, again the investigation is inadequate, in this case angled, and I wonder why there had to be the paraphrase, the line saying Connor "never heard anyone state that OSWALD had any anti-American or pro-Communist views" being enough. But have we seen ant reports of any interviews with Jerry E. Pitts or quotes from the Memphis press? Of course, it was useful that Connor said what is not so, that LHO had an "expert" medal. We know the FBI missed some of LHO's mates, but covered many. Keeping and filing inder Oswald:Marines.
